AIRPORT SHUTTLE SERVICE

Asheville airport is less than 20 minutes from the Christ School. Please visit www.flyavl.com to become familiar with the airport before traveling. Upon arrival, you should deplane and go directly to baggage claim. Once you have obtained your baggage, you should go directly outside the baggage claim area to the curb and look for our 15-passenger van, which will have a sign in the passenger side window indicating All-American Cross Country Camp and our drivers will be wearing an All-American Cross Country Camp shirt. The van will be driven by our staff members who are 25 years old or older. **The best time to plan arrival would be between 1:00 pm and 3:00 pm. The best time to plan departure would be no later than 1:30 pm.** Departure times before 10:00 am or earlier may result in a camper needing to leave camp early. We will drop campers off at the curb of their terminal at least 90 minutes prior to their scheduled flight departure to allow for unseen delays in traffic or lines at the counter. The last shuttle will leave the Christ School at 11:30 am on the final day of camp. The contact number for check-in day is 919-264-6131. This is an emergency contact line only. This is the number that you will call to advise us of any changes in your son or daughter's arrival. **There is a nominal charge for the shuttle service: \$10 one-way and \$20 round trip**, this charge will be added into your camp registration fee and can be paid upon arrival at camp.
