**PREPARING YOUR CHILD FOR CAMP:** Preparedness makes camp a better overall experience. Mentally and emotionally, you can prepare your child for camp by emphasizing the positive and reinforcing his own ability to problem solve. While your child is at camp we would like for them to talk to us, communication is key. If he/she has ANY concern, we want them to tell a member of the staff. We are prepared to find an answer to anything from physical ailments, to homesickness, to not getting along with a teammate. All discussions will be kept appropriately confidential. You both should realize that adaptability is essential to everyone's enjoyment while at camp. Of course, we are prepared to provide the best possible environment for your child while at camp.

**INJURY OR ILLNESS WHILE AT CAMP:** In the event of an injury or illness each camper will be evaluated by the head trainer. He/she may recommend that your child sit out a session or revisit the trainer before the next session. Your child should and is expected to follow the advice of the trainer as it would be in his/her best interest to do so. If your child has not registered a complaint, the trainer cannot always know that something is wrong with a camper just by looking at them. In the event that the trainer feels your child would need to see a doctor you would be contacted immediately. Please stress to your child that he/she drink a lot of fluids (water, Gatorade etc) as heat related injuries are most common in the summer and that he/she should see the trainer if they experience any sort of discomfort.

**LOST OR STOLEN ITEMS:** All of your child's gear should have his/her name in permanent marker on them. We will have permanent markers if they need them at camp for any items they may have forgotten to label. Lost or stolen items will not be replaced! Please prepare your child to be mindful of his/her belonging and to report lost or stolen items at once to a staff member.

**CARS:** Your child is allowed to drive their car to camp but will **not** be able to use their car during camp at anytime.

**CAMP RULES:** Your child is expected to follow all camp rules. Failure to do so may result in your child's dismissal from camp. Rules will be handed out to each camper on the first night of camp.
